

Mary Guilbault Métis Bursary

This award is named in honour of Mrs. Mary Guilbault. She was a respected Elder in the Métis community and a pivotal player in the creation of the Manitoba Métis Federation.

Mary was born on June 19, 1930 in Fisher River, Manitoba to Elijah and Priscilla Bowers. She grew up on the Fisher River First Nation where she spent much of her early childhood years on the land with her parents and grandparents, trapping, hunting and fishing.

In the fall of 1943, the Indian Agent whisked her away to the Residential School. First to Brandon for several years and then to Birtle, where she completed high school. Mary came to realize that education was of utter importance in order to compete with the larger society.

On June 23, 1950 soon after departing the Residential School system, Mary Bowers met and married Mr. Ernie Guilbault, who was born and raised in Fannystelle. They settled in Winnipeg and together had five daughters, all of whom have entered the work force well educated and employed in various professional fields, from education to social work. Mary passed away on June 13, 2013.

Mary's Contribution to the community included participation in;

- The formation for the Manitoba Métis Federation in 1967 where she sat on the Board of Directors holding the Education Portfolio until 1974
- The housing study that resulted in the Lord Selkirk Park Housing Development
- An upgrading program that became nationally recognized and adapted by Canada Manpower
- Forming the Court Communicators Program with Judge J.Rice and Judge I. Dubiensi

Mrs. Guilbault provided guidance to a vast number of Indigenous youth, men, and woman. In promoting the traditional and cultural values of the ancestors, she said "For me, the revitalization of my culture and traditional identity many years ago has assisted me with issues that have traumatized me in the past. Understanding the wisdom and spirituality of our ancestors brings many benefits into the everyday lives of our people."
