## INDEPENDENT AUDITOR'S REPORT

To the Members of Louis Riel Institute

### Opinion

We have audited the financial statements of Louis Riel Institute (the Organization), which comprise the statement of financial position as at March 31, 2020, and the statements of revenues and expenditures, changes in net assets and cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at March 31, 2020, and the results of its operations and cash flow for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Organization in accordance with ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

(continues)

Independent Auditor's Report to the Members of Louis Riel Institute (continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting
  and, based on the audit evidence obtained, whether a material uncertainty exists related to events or
  conditions that may cast significant doubt on the Organization's ability to continue as a going
  concern. If we conclude that a material uncertainty exists, we are required to draw attention in our
  auditor's report to the related disclosures in the financial statements or, if such disclosures are
  inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to
  the date of our auditor's report. However, future events or conditions may cause the Organization to
  cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### 1. DESCRIPTION OF BUSINESS

The Louis Riel Institute was created by an Act of the Manitoba Legislature and received Royal Assent on November 3, 1995 as a non-profit organization. The purposes of the Institute is to promote the advancement of education and training for the Metis people in Manitoba and to foster an understanding and appreciation of the culture, heritage and history of Manitoba and of the Metis people in Manitoba for the benefit of all Manitobans. Effective December 2, 2004, the Institute is a registered charity under paragraph 149(1)(f) of the Income Tax Act and accordingly exempt from income taxes provided certain requirements of the Income Tax Act are met.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of presentation**

The financial statements were prepared in accordance with Canadian accounting standards for notfor-profit organizations (ASNFPO).

#### Financial instruments policy

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

Long term investments consist of various pieces of cultural artwork. These investments are recorded at historical cost and are not written down unless the market value of the investments is permanently impaired.

#### Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for not-forprofit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

#### Capital assets

Capital assets are stated at cost less accumulated amortization and are amortized over their estimated useful lives at the following rates and methods:

| Computer hardware       | 30% | declining balance method |
|-------------------------|-----|--------------------------|
| Custom trailer          | 30% | declining balance method |
| Furniture and equipment | 20% | declining balance method |

The organization regularly reviews its capital assets to eliminate obsolete items.

One-half the normal rate of amortization is recorded in the year of acquisition.

(continues)

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Deferred capital contributions

Contributions restricted for the purchase of capital assets are deferred and amortized to revenue on a basis that is consistent with the amortization rate for the related capital asset.

#### Revenue recognition

The organization follows the deferral method of accounting for contributions. Contributions are recognized as revenue in the year in which the related expenses are incurred.

Other revenues are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and the collection is reasonably assured.

All unexpended funds of incomplete programs at the year-end are deferred to the subsequent year to offset management's estimate of expenditures required to complete those programs.

Decommitted funds are the shortfall of funds that were withheld during the year, as a reduction of total approved funding. It is management's estimate that there will be no further expenses and therefore no further funding will be received.

#### 3. FINANCIAL INSTRUMENTS

The organization is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the organization's risk exposure and concentration as of March 31, 2020.

Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The organization is exposed to credit risk from customers. In order to reduce its credit risk, the organization reviews a new customer's credit history before extending credit and conducts regular reviews of its existing customers' credit performance. An allowance for doubtful accounts is established based upon factors surrounding the credit risk of specific accounts, historical trends and other information. The organization has a significant number of funders and customers which minimizes concentration of credit risk.

#### Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The organization is exposed to this risk mainly in respect of its receipt of funds from its customers and other related sources, callable debt, obligations under capital lease and accounts payable and accrued liabilities.

#### 12. ECONOMIC DEPENDENCE

The organization receives a substantial amount of its revenues from government sources. If funding from government sources was discontinued, it would affect the organization's ability to continue operations.

#### 13. LEASE COMMITMENTS

The organization has a long term lease with respect to its equipment. Future minimum lease payments as at March 31, 2020, are as follows:

|      | 2020        | 2019        |  |  |

#### 14. SUBSEQUENT EVENTS

In March 2020, the World Health Organization declared a global pandemic due to the novel coronavirus (COVID-19). The situation is constantly evolving, and the measures put in place are having multiple impacts on local, provincial, national and global ecomonies.

As at \_\_\_\_\_, 2020, the directors are aware of the following changes in its operations as a result of COVID-19:

- The funding of some programs was delayed
- The organization secured resources for the staff to work from home and to acquire personal protective equipment for the work place.
- The organization received additional funding for some essential programs

The overall effect of these events on the organization and its operations is too uncertain to be estimated at this time. The impacts will be accounted for when they are known and may be assessed.
